

## FUN IN THE SUMMER FAIR!

By Sara and Aara

We all had so much fun at the Summer Fair! The WHPS Summer fair was on Saturday 29th June 2024. The Summer Fair was wonderful!

There were LOADS of fun and awesome games! Such as: Drench the Drake, toss the beanbag, maltesers smash, tombola, basketball, hit the cans. There were LOADS of foods!!!! Such as: crisps, ice lollies, cupcakes. There was hennas and tattoos!!

### Food

There were ice lollies, cupcakes and crisps. My favourite food was the ice lollies. PACE organised a delicious barbecue for everyone. Mr Drake said, "The jerk chicken was delicious! I even had seconds!"

### Games

The games were SO MUCH fun and entertaining. My top games were Malteaser smash and Drench the Drake. Sara said, "I liked the Malteasers smash because I played 3 times and every time I played I won. There were amazing prizes such as stretchy tubes."

### Activities

There was a fire truck where you can sit in and wear a firefighters helmet. Unfortunately, the firefighter had to go as they had an emergency to go to so they did not stay for a long time.

### Music

The Dad's band played in the summer fair. It was loud but enjoyable. The Dad's band played different types of songs. One dad played the drums. It was also the debut performance of the school band.

### Aara's review

The Summer Fair was really fun. It was really hot and the games were really awesome and entertaining.

### Quotes

How was the Summer Fair?

"I loved the Summer Fair because I liked hitting Mr Drake in the face." Deniz

How did you feel when you got thrown in wet beanbags?

"I was wet but it helped get money." Mr Drake.

So those are the fun things that had happened in the fun Summer Fair! I really hope you enjoyed it if you went there.

To Harriet,

I am moving to a new house and maybe school. I don't know how to break the news to my friends. I need some good advice. Please help me Harriet, from Anonymous.

To Anonymous,

I too might move house soon. Don't worry if you feel nervous just tell your friends. There might be a lot of crying but you can always see them again, and remember you will always remember them whatever happens. Even if they make new friends or you do remember to invite them to your birthday party

### SHOULD THERE BE MORE MALE TEACHERS?

By Deniz

Did you ever notice the big lack of male teachers? Did you know that only 35 percent of British teachers are male?

It all started when in the 19th century, the wages of teachers were on the downfall [mainly because of England's economic situation]. Many male teachers were not happy about this, that's when many women started to volunteer to be teachers.

At WHPS we do not have many male teachers. Does this matter? What do you think? More discussion in next month's edition.

### Mill or Nightmare?

By Jens

in July, Year 6 visited the Mill for their residential trip. What's it all about?

What is the Mill?

The Mill is a place in the countryside, and a very relaxing place to be, with a lot of activities. This article will explain all your questions, ups and downs of The Mill.

Q and A: In this paragraph I will be answering questions you might have. Is The Mill worth it? Even though it is a high price to pay, it is worth it. What will you eat? Usually The Mill will have a time table showing when and what you are going to eat for that day, they also do this for activities.

Downs: Sometimes, it rains, so in the tents it will be pretty cold. There is a big climb up a mountain, even though it is worth it at the end!

Ups: The Mill is surrounded by nature, giving you the chance to wake up to the beautiful sound of singing birds and swaying trees from your day in the tents. There is a lovely fire pit, giving a great environment for toasting marshmallows.

## SUMMER SPECIAL

### THINGS TO DO IN THE SCHOOL HOLIDAYS...

By Ellen

When you get home from a long day at school - packed with lots of learning - you probably want to relax and play video games or watch TV - Am I right? What about getting out and about and trying something new, rather than doing nothing good for your eyes.

#### Biking

If you own a bike that is just stowed away and you only use it about once every three months then how about getting it out and having some fun. You could meet up with your family in the park and maybe ride together or you could go somewhere with your friends, like a BMX track or pump track, and wheel yourselves round there.

#### ...Instead Of Playing Video Games!

#### Friends + Family = Fun

If you don't own a bike or you don't want to rent one then how about a meet up with friends and family. Of course you don't need to do both at the same time. You can have only family over if you want or only friends it's up to you. How about a family meal together or a takeaway with friends? The choice is yours.

You could visit a fascinating museum or a beautiful and inspiring art gallery together. Whatever your preference is, the key is HAVE FUN!

#### Pack a Picnic...

#### We're Going to the Park!

If you don't want to meet up in a museum or an art gallery then how about packing a picnic? Find an appropriate time and day that suits you and you're ready to pack your picnic! You must make sure the weather is nice and sunny - you don't want to get rained on! As well as this, make sure you pack loads of delicious snacks, plenty of water, a picnic blanket and some activities for the kids or even the adults to do. Of course, no-one is going to pressure you to take these things - you can take your own/different things. After you've packed, you can meet up in the park, have fun and relax. Don't forget to make sure to eat a delicious ice cream before you leave!

## BRILLIANT BIENNALE

### CAMDEN ART CELEBRATION

By Maryam

#### What is the Biennale?

Camden is holding an amazing art celebration, where schools across the borough are holding a celebration to celebrate your art. It will be at Lethby gallery from 17 July to 26 July 2024.

#### Year 2 and Year 4 Visit the Biennale

Year 2 and year 4 are visiting the Biennale in Lethby gallery. One year 2 child said: "It was very fun and the art was creative"

One year 4 child said: "it was amazing We love looking at the other art from different schools"

Camden is lucky because they get to be celebrating all their art the six people I have mentioned are of representing our school. So what can I say we're really lucky.

#### Why is it called the Biennale?

Biennale means two every two years in Italian. There was an art biennale in Venice Italy and that's where we got the name from! This means we will have the Biennale every 2 years.

Our art teacher Miss Schafer helped and had to pick 6 pieces the people who were chosen were:

Jack: Avon

Amelia: Tyne

Pianki: Senie

Leen : Amazon

These people were chosen because they had amazing art

## YEAR 6 LEAVERS TRIUMPH!

### A REVIEW OF THE END OF YEAR 6 SHOW

By Emilia

On the 22-23rd of July Year 6 did an end of year show called Schoolvision which they performed to the adults and children of West Hampstead Primary School. The production was based on Eurovision, a popular television show in which people of all age show their talents. In the end one person would win a trophy and that country that they represented gets to host Eurovision next year.

I interviewed Mr Drake to get his input on the show. This is what he said:

“My favourite bit was when the children got the teachers dancing,”

All year groups got to watch it. It was very long and my leg ached a lot after it but it was totally worth it. I am very excited to do the show myself and I wonder what theme it will be.

Thank you for reading.

The show featured all that happened around the school including: the dinner ladies, the P.S.A even life in the staff room. It was very funny and the songs were great, when they were singing the last song everyone got up and danced, it was amazing.

Did it make me laugh? What was the music like? What were the performances like? Would I recommend it? How many stars would I give it?

The show made me laugh, the music was cheery and the performances were produced well. I would recommend this to 4-60 year olds. If I was to give it stars I would give it 4 stars, very loud with a lot of excitement.

## ANYONE FOR TENNIS?

### A REPORT ON A DAY AT WIMBLEDON.

By Sara

I went to Wimbledon. Because most people don't get to go to Wimbledon, I wanted to share my experience in Wimbledon with you.

**What is Wimbledon?**

Have you ever heard of Wimbledon? Wimbledon is probably the most famous tennis tournament in the world! It is one of 4 grand slams: the others are the US, French and Australian. It is the only grand slam to be played on grass.

**What is the tennis like?**

The tennis is very well played. I watched a doubles match and the people I supported won!

**What are the refreshments and food like?**

The refreshments are really cooling especially on a very hot day they usually have lots of ice. People who go there especially like their world famous strawberries and cream.

**The Verdict:**

**Is Wimbledon a good day out?**

**YES.** It was the perfect day out. I had lots of fun. If you ever get a chance please GO! Even if you are not bothered about the tennis you can still have a blast and enjoy the fun Wimbledon has to give to you.

**What are the games like?**

I went because my dad got my tickets and I like tennis. I went on Thursday the 14th July on election day because the school was closed.

The main thing I did was play in Southern Village. But what is Southern Village? Southern Village is an area that is full of tennis themed games such as: find Andy Murray. Also there were games where you had to use a console to control your tennis player and you got to compete against another player.

The game I enjoyed the most was a game where you had to roll the ball and it went into a hole and then you got points because there was a massive screen in front of you and there were strawberries and umbrellas and if you hit the umbrella then your ball would bounce back so it was more like an accuracy game but I just went crazy and just rolled all of the balls into the hole and I didn't really care about accuracy. Andy Murray's record was 2000 on the tennis ball game and I managed to beat it by 220 points!

A great day out even if you don't like tennis much!
