

1 Carnival of the Animals

Where am I?

- I can name and locate the countries of the U.K.
- I can name and locate the surrounding seas.
- I can name and locate the capital cities of the U.K.

Why do different parts of the world have different climates?

- I know where hot and cold countries are.
- I can describe Spring, Summer, Autumn and Winter.
- I can describe and compare the weather in England and a Savannah.

How does where we live compare to life in another country?

- I can ask simple geographical questions, e.g. what is it like to live in this place?
- I can compare the human and physical features of two different countries (London and Tanzania).
- I can name some of the plants that grow in the Savannah.
- I can name some of the animals that live in the Savannah.
- I know why some plants and animals only grow in certain countries.

How do we know about different places?

- I can use atlases, globes and maps.
- I can use North, South, East and West on a compass.
- I can choose language to describe where a place is.
- I can use a simple map.

Africa

The Savannah

London

West Hampstead Primary School

Geography

Learning about places in the world.

Near

Something close-by.

Far

Something that is not close.

Left / right

Words which help to describe where something is.

Season
