

KS2 Achievement Assembly

Friday 21st May 2021

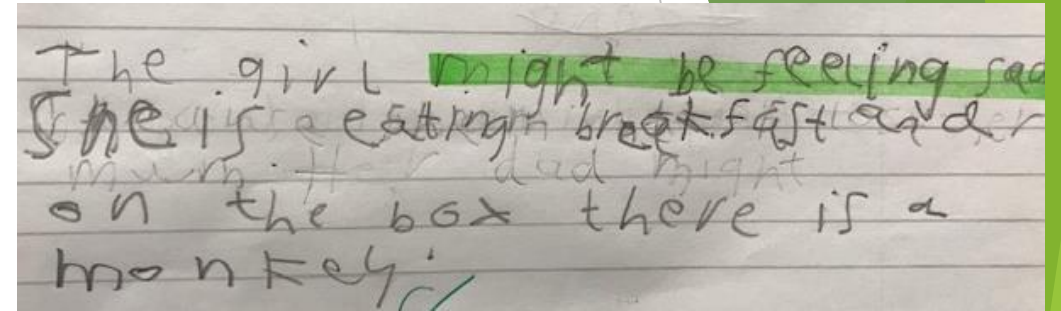

Year 3

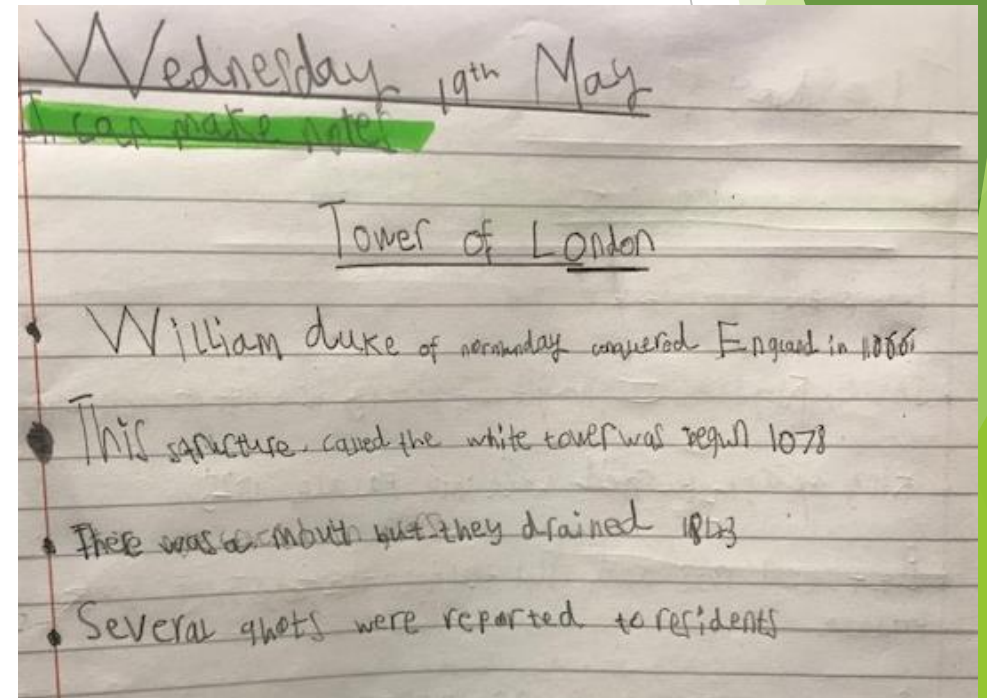

Thames - Leo

- ▶ Leo has been making huge improvements with his handwriting. His effort and focus is really paying off.

Well done Leo!

The girl might be feeling sad
she is eating breakfast and
on the box there is a
monkey

Wednesday 19th May
can make notes

Tower of London

- William duke of normandy conquered England in 1066
- This structure, called the white tower was begun 1078
- There was a moat but they drained 1813
- Several shots were reported to residents

Mersey - Nazli

- ▶ Nazli has been doing lots and lots of reading at home. Sometimes up to 4 books a day!
- ▶ What a bookworm! Well done!

Year 4

Sahar & Kira - Danube

Tuesday 18th May 2021

I.O I can use descriptive techniques to help the reader visualise.

As we escaped darkness, the ^{*1} pallid, bright moon illuminated the gloomy town. In the distance, I saw ~~the~~ tall, tilted towers that joined up with sinister spires and crooked castles. As bats covered our sight, ^{*2} we saw 5 gnarly people who looked too dead to be human.

alliteration ✓
*1 comma to separate the subordinate clause
subordinate clause ✓ expanded noun phrase ✓

Tuesday 18th May 2021

I.O I can use descriptive techniques to help the reader visualise.

Slowly, the clouds oozed away and the bright, white moon came out. As the dense fog parted, a sinister, mysterious castle took its form. Bats as black as midnight swarmed around the moon, endlessly. Professor Steg told me that this gloomy castle would look nice in the bright sunlight. When my eyes adjusted to the dark, I could see rows and rows of tall, terrible turrets. They looked like they were watching every single move I made.

fronted adverbial ✓ expanded noun phrase ✓
subordinate clause ✓ simile ✓ alliteration ✓
Get a mention.

Both Kira and Sahar have done some amazing writing this week based around describing scenes from our book Fortunately, The Milk.

Kai – Seine

Kai has made very good progress this year in terms of his contribution in lessons. He always has his hand up and gives great answers. He is also becoming an exceptional team player – taking turns and listening to his team mates. Here is playing a game of Top Trumps, in a team, based on our Europe topic. Well done, Kai!

Year 5

Alfie M in Mississippi Class

He worked independently to build a database about birds as part of our science and computing work.

Data Name:
Robin

Edit sound
 X

1	colour	and
2	legs	2
3	wings	Yes
4	how big	23-28cm
5	habitat	woodlands
6	what it likes to eat	insects

Ganges

Yesterday in maths we started a new unit on decimals. Yaasir and Jaheem both worked very hard together whilst discussing place value.

Beckford Values Awards

Nicky in Thames has shown amazing progress in our dance workshop with The Place.

He has shown resilience when things have been tricky to remember or hard to do and take part in.

Resilience

Aspiration 	Responsibility 	Resilience 	Consideration 	Community 
--	--	---	---	---

Beckford Values Awards

Nazli in Mersey for showing consideration by holding doors open for teachers and being polite and helpful to everyone!

Beckford Values Awards

in Mississippi class-
Zoya, Alfie and Sofia

showed consideration for others by helping them make Saxon models when they found it difficult to glue the buildings together.

Beckford Values Awards

Yunus in Danube class always shows great consideration for others in the classroom. He is always on hand to help them and explain things to them.

Beckford Values Awards

Trey in Ganges class has shown great resilience this week during his maths and topic lessons by working hard to achieve his goals. Trey has designed a very impressive Saxon Village on Minecraft for Topic.

Beckford Values Awards

Hassan in Seine class

shows great consideration consistently towards not only other children but to the adults in the classroom as well.
