- Visit **parentview.ofsted.gov.uk** to see how other parents rate the school.
- **New website:**

<https://camden.schoolreport.org.uk/>

Each Camden school has produced a school report. This gives a rounded and fuller picture of the school and has the key things parents told us they wanted to know. The **Home Page** of the report has an introduction to the school - **not just facts but a real 'feel' of the school.**

Links take parents to further information, with all reports having the same sections:

- School community and context
- Pupil support and well-being
- SEND and inclusion
- Pupils' achievements
- Curriculum and teaching and learning

Camden schools

Hampstead (39)

UCL academy (6)

William Ellis (2)

Haverstock School (1)

Non Camden schools

Harris Academy (5)

St Marylebone (2)

North Bridge House (1)

Admissions Criteria:

- Read these carefully for each school.
- Hampstead/Acland Burghley/Haverstock/Parliament Hill/Regent High have the same admissions criteria.
- For example, for Hampstead Secondary School:
 1. Looked after children
 2. Sibling on roll
 3. Exceptional medical or social need (council accept as having)
 4. Children who have a parent working as a qualified teacher or LSA
 5. Applicants who live closest.
- Other schools in Camden vary slightly

Admissions Criteria:

Be realistic about the chances of your application being successful and consider the following to increase your chances of being offered a school of your choice:

- Look carefully at the published admissions criteria for any oversubscribed school
- The admissions criteria for Camden community schools is set by Camden Council
- The admissions criteria for voluntary aided schools and UCL Academy are decided by their governing bodies
- Think carefully about your preference order – if eligible to be offered a place at more than one school, your child will be offered their highest preference school, if a place is available there – all lower preferences will be released.
- Your child's name will automatically be placed on a waiting list for any higher preference school

Finding your nearest school:

- ▶ You are able to select 6 schools
- ▶ You put them into a preference order
- ▶ Think about your preference order, if your child is eligible for a place at more than one, they will be given the highest preference school.
- ▶ We strongly advise you to use all 6 preferences to increase chances of getting a school of your choice.
- ▶ Selecting just 1 school does not make it more likely that you will receive a place.
- ▶ Your child will automatically be placed on a waiting list for any higher preference school
