

Welcome to West Hampstead
Primary!

Year 6
Information Evening

Year 6 Staff

There are 2 classes in Year 6:

Amazon & Nile

Scarlet Phillips
Nile Class teacher

Claire Dinata
Amazon Class teacher

Hannah Bones
Phase Leader

Zoe Keighley
Support Staff

Tania Parsons
Support Staff

Our day:

- Each class is taught by their class teacher in groups of 30
- Class teachers teach every subject, with some exceptions.
- Art – Ms. Schafer.
- P.E – Mr Leer.
- Music – Camden Music Specialists.
• Mr Jones and Mr Davis.
- A range of other professionals may also work with the children.

Beginning & End of the Day

The school gates open at 8:50 and close at 9:05.

All children should enter via the main playground doors.

All doors into corridors and halls are now locked and will only open with a lanyard.

- All doors are unlocked between 8:50 and 9:05 to allow the children to come into school.
- Where appropriate, children have been taught how to use lanyards e.g. on the top floor if they need to use the toilet.
- Please note: **do not enter the building without a school adult as you may get locked in a corridor or hall.**
- Late children will have to wait in the office until they can be escorted into class, so please aim to be on time.

Beginning & End of the Day

At home time, the school gates open at 3:30. This includes:

- 2 gates on Dornfell Street
- 1 gate on Glastonbury Street

All children will be lined up in their space, ready to be collected.

Year 6 Timetable

Year 6 Autumn 25.

During Key Stage Two children work towards the **National Curriculum Standards** for each year group.

The National Curriculum has set out standards for the children to achieve by the end of the year.

- **Emerging** – working towards the statement. Developing understanding in this area.
- **Expected** – achieving at the expected level for their age.
Your child is exactly where they should be!
- **At Greater Depth** – has obtained a greater level of understanding and is able to apply their learning in different contexts.

SATs

- The SATs tests will take place throughout the week beginning: **Monday 11th May and ending on Thursday 14th May**

Choosing a secondary school in Camden

Open events 2021

Acland Burghley School

Burghley Road, London NWS 1UJ
020 7485 8515
www.aclandburghley.camden.sch.uk

Open evening: Tuesday 21 September from 5pm
Open mornings: Monday 20, Tuesday 21, Thursday 23 and Friday 24 September 2021 from 9am
Sixth Form: LaSWAP: Thursday 25 November, 5.30 to 8pm at Acland Burghley School (pre-registration is required – see the school website or www.laswap.camden.sch.uk)

Camden School for Girls

Sandall Road, London NW5 2DB
020 7485 3414
www.csg.school

Open evening: Monday 20 September, 5pm
Open mornings: Wednesday 15 and Friday 17 September, 9am
Sixth Form: Tuesday 23 November. Tickets available Thurs 1 Oct
Banding assessment registration: register online by Tuesday, 22 September, 12 noon

Hampstead School

Westbere Road, London NW2 3RT
020 7794 8133
www.hampsteadschool.org.uk

Open evening: Tuesday 12 October, 6pm
Open mornings: Tuesdays 21 and 28 September, 5, 12 and 19 October at 9.15am
Sixth Form: Thursday 17 November, 5.30pm

Haverstock School

24 Haverstock Hill, London NW3 2BQ
020 7267 0975
www.haverstock.camden.sch.uk

Please check the school calendar or contact the school for the arrangements of the open evening and Sixth Form events
Open mornings with tour of classrooms: Drop in on any Thursday, 9 to 10am, from 16 September to 21 October

The UCL Academy

Adelaide Road, London NW3 3AQ 020 7449 3080
www.uclacademy.co.uk

Open evening: Tuesday 14 September and 26 October, 5 to 7pm
Open mornings: 17, 22 September, 7 October, 2021, 9am to 10.15am. Please call to book appointments.
Sixth Form: Tuesdays 2 and 16 November, 5 to 7pm

Maria Fidelis School FJC

1-39 Drummond Crescent, London NW1 1LY
020 7387 3856
www.mariafidelis.camden.sch.uk

Open evening: Thursday 14 October, 4.30 to 6.30pm
Open mornings: Depending on COVID-19 – will hopefully resume on Tuesdays from 9 to 10am
Sixth Form: Please check the school calendar or contact the school for the arrangements of Sixth Form events

There will be a secondary transfer meeting on Thursday 25th September at 5pm. You should have received an email about this already.

Inclusion

- If your child has additional special educational (SEND) needs, they will be supported by the Inclusion Team.
- They may have needs in the following areas:
 - Speech and Language
 - Cognition and Learning
 - Social, Emotional and Mental Health needs
 - Physical

Karen Filiz

Inclusion Lead

Inclusion

- Children who have difficulties in the following areas may need targeted support such as:
 - Group interventions
 - External professionals
 - One to one intervention
 - Additional support in the classroom
 - Referral to outside agencies

The Inclusion team have regular meetings with Teachers and Learning Support Assistants to ensure all children are supported appropriately.

Challenge for All

At WHPS, we believe that every child should be pushed to take their learning as far as possible.

- This applies to **all** our children – however high or low their starting points.
- We want to remove any limits that children (or others) might place on their aspirations.

**Aim for the sky and
you'll reach the ceiling.
Aim for the ceiling and
you'll stay on the floor.**

Challenge for **All** in practice

- Teaching children the school values – **Aspiration, Responsibility** and **Resilience** in lessons, assemblies and in daily school life
- Planning lessons with opportunities to go further (stretch and challenge)
- Teachers asking probing questions that make children think
- Regular meetings to look at the progress children are making
- Home learning (see next slides), including a range of reading books for the children to enjoy
- Personalised provision (when appropriate)

Reading

- Comprehension sessions take place in the morning in whole class groups. Extra support for those who need it is available.
- Children change their reading books as they finish them, choosing from a wide range in the class book corners.
- Children should be reading **every day for 15-20 minutes** and commenting in their reading records. Reading records are checked daily by a member of the team.
- We also reward home reading using the Million Word Challenge.

Reading Record Guidance

At West Hampstead, we expect all children to read at home for at least 15 – 20 minutes each day. The Reading Record is used to show the class teacher what books are being read at home and how often. Your child's book and reading record should come into school every day to be shown to an adult in school.

Year 3 – Year 6

Children from Years 3 – 6 will bring home either colour banded books or chapter books matched to their reading level. Although these are longer reads, the reading record should still be completed daily.

Your child may be a fluent, independent reader but still ensure that some of their reading time includes reading aloud to an adult.

Your child is expected to complete the reading record daily with the date, book name & a comment if necessary.

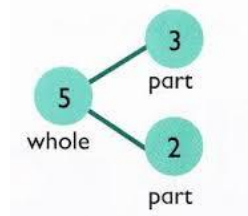

Questions

- Why did you choose this book? What made you think that it would be interesting?
- Catch me up on the story. What has happened so far?
- What do you think is about to happen? Why? Have you been given any clues?
- If you were that character, what would you have done in that situation?
- Do you think you would choose to be friends with the main character if they went to your school?
- Did the book end the way you expected? Would you have ended the book differently?
- Was there a problem in the book? Did it get solved?

Maths

- We focus on:
 - Allowing children to experience maths rather than just see it.
 - Inviting children to explore maths and assisting with problem solving.
 - Encouraging children to talk about maths and develop their understanding independently.
 - Using concrete (objects e.g. counters, cubes) then pictorial (drawing pictures to support) then abstract (numerical) methods to calculate

$$\begin{array}{l} \square + \square = 20 \\ \square + \square = 20 \end{array} \quad \begin{array}{l} \begin{array}{c} \square \\ \diagdown \\ \square \end{array} \\ 20 - \square = \square \\ 20 - \square = \square \end{array}$$

$$\begin{array}{l} \square + 1 = 16 \\ 1 + \square = 16 \end{array} \quad \begin{array}{l} 16 - 1 = \square \\ 16 - \square = 1 \end{array}$$

Writing

- We inspire writing through quality literature.

Writing at WHPS:

- We encourage children to understand the **purpose** of their writing.
- We use **oracy** to allow children to articulate their ideas verbally before they write them down.
- We use **modelling** to show children the writing process.
- **Grammar** is built into our lessons.
- **Improvement** is a major part of our writing process – you will see you child's improvements in blue pen.

West Hampstead Values:

WHPS Values

Aspiration

- Creativity
- Curiosity
- Communication

Responsibility

- Citizenship
- Staying Healthy
- Organisation

Resilience

- Confidence
- Independence
- Adaptable

Consideration

- Kindness
- Empathy
- Respect

Community

- Belonging
- Collaboration
- Relationships

Year 6 Units

We provide a variety of exciting experiences in the children's learning beyond Reading, Writing and Maths. This may or may not involve writing, as we think the learning is best when the children are actively involved.

Autumn	Spring	Summer
History The Battle of Britain (plus Geography – core locational knowledge)	Geography Disasters	History The Silk Road (plus Geography – core locational knowledge)
Science Animals including humans Electricity	Science Light Living things and their habitats	Science Evolution and inheritance
Music Brass	Music Brass	Music Brass and the end of year show.

Other National Curriculum subjects throughout the year:

Modern Foreign Languages (French), Design and Technology, Computing, Religious Education, Physical Education, Personal, Social and Health Education

Autumn History Unit

6 Battle of Britain/ London in World War Two

What were the causes of WW2?

When WW1 ended Germany were forced to sign the Treaty of Versailles. This led to difficulties in life in Germany and people wanted change.

Adolf Hitler became Chancellor of Germany and invaded Czechoslovakia, Austria and Poland.

Britain and France declared war on Germany as Poland's allies.

Why was the battle of Britain a turning point?

After invading, Denmark, Belgium and France, Germany prepared to invade Britain. Battle of Britain Started on the 10th of July 1940.

Germany sent bomber planes to destroy Britain's defences.

The R.A.F, although outnumbered, defended Britain against these attacks.

Radar was used to help protect Britain from enemy aircraft.

Battle of Britain changed the course of the war.

How did Britain respond?

Children

From the start of WW2 in September 1939, children were sent out of large to live in the countryside. The countryside was less populated and less industrial.

Children were sometimes separated from their parents and siblings for many years. Rationing

Rationing

From 1940 until 1954 (nearly 10 years after the war) food and other goods were rationed.

A lot of food was imported from different countries and this was far harder during the war.

Rationing ensured that people got their fair share.

People were encouraged to grow their own fruit and vegetables.

How did Britain change?

Women joined the workforce during the war but were expected to return to the home afterwards. This led to protests for equality and feminists groups in the 60s

Jamaica, Barbados and Trinidad were a part of the British Empire and therefore British citizens, many men served in the armed forces.

At the end of the war, the British government asked people from these countries to come and help rebuild Britain. This became known as the 'Windrush Generation'.

Many of these people faced great hardship and racism when they arrived in Britain.

In recent years, many of the original Windrush settlers and their families were threatened with being removed from the UK because the government failed to give them the correct paperwork.

The beginning of the end of the British Empire and the formation of the British Commonwealth.

How did the war end?

Spring 1945, the Western Allies closed in on Berlin and both fronts started collapsing.

Grand Admiral Karl Dönitz, began peace negotiations.

May 8, 1945. The Allies accepted surrender of Axis forces, World War II in Europe finally came to its end.

Japan did not surrender at the same time as Germany and they were able to hold out a few months longer.

Formal surrender documents were signed on September 2, 1945, aboard the USS Missouri, marking the official Victory over Japan Day.

Adolf Hitler

Winston Churchill

Anne Frank

Alan Turing

Autumn Science unit

Key vocabulary

heart	The heart pumps blood around your body.
pulse	Each time the heart beats it can be felt as a pulse in the arteries. Typically, in the wrist and neck.
blood	The red liquid pumped around the body by the heart. It transports oxygen, nutrients and water to all the parts of the body.
blood vessels	The narrow tubes which our blood flows through including the arteries, veins and capillaries.
lungs	Two organs situated in the ribcage that fill with air when you breathe in. They remove carbon dioxide from blood and add oxygen.
circulatory system	This circulates blood through the body. It consists of the heart, blood and blood vessels.
diet	The sort of food animals or humans regularly eat.
exercise	Activity that requires physical effort, carried out to sustain or improve health and fitness.
drugs	A medicine or other substance that has an effect in a person's body.
lifestyle	The way in which a person lives.

Our pulse rate increases when we do exercise.

Animals including humans – Year 6

Significant scientist

William Harvey
(1578-1657)

William Harvey was an English physician and the first person to correctly describe blood's circulation in the body. He showed that arteries and veins form a complete circuit.

Healthy bodies

Diet, exercise, drugs and other lifestyle choices have an impact on how our bodies function. This can affect how well our heart and lungs work and how fit and well we feel.

Some choices such as smoking, drinking alcohol and obesity can be harmful to our health:

Smoking

Can cause shortness of breath, heart and lung disease.

Alcohol

Too much alcohol can damage the liver, heart and stomach.

Why is exercise so important?

Exercise can increase fitness, make you feel physically and mentally healthier, strengthen your heart and improve your lung function.

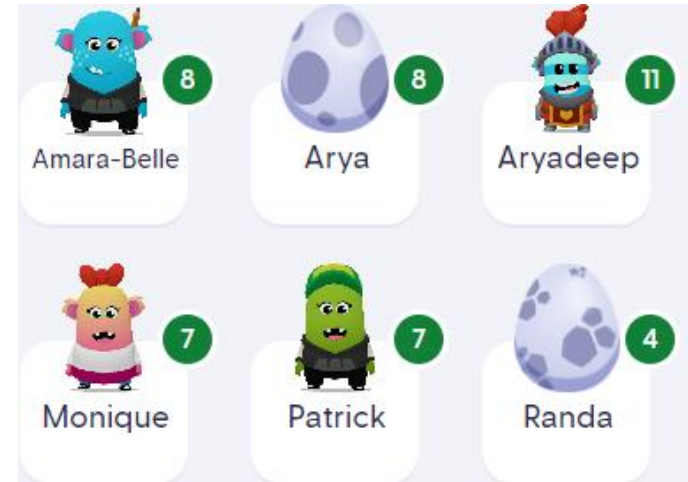

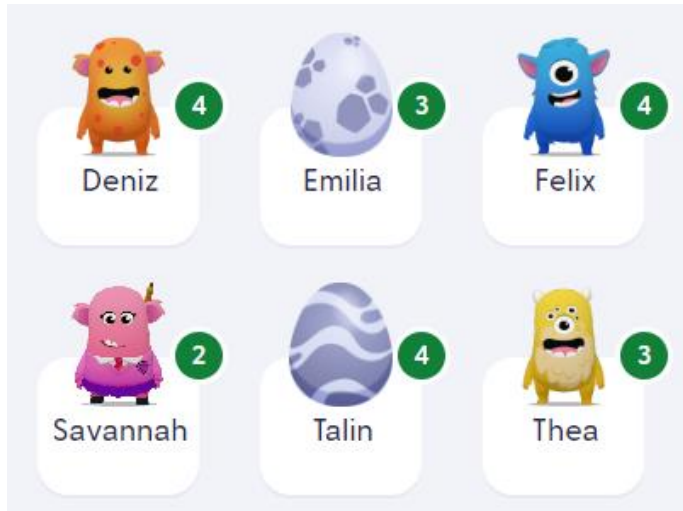

The human circulatory system

- The **heart** pumps **blood** in the **blood vessels** to the lungs where oxygen goes into the **blood** and carbon dioxide is removed.
- The **blood** goes back to the **heart**.
- It is then pumped around the body so that water, nutrients and oxygen are transported in the **blood** to the muscles and all the other parts of the body where they are needed. As all these are used, they produce carbon dioxide and other waste products.
- Carbon dioxide is carried by the **blood** in **blood vessels** back to the **heart**.
- The cycle starts again as the carbon dioxide is then transported back to the lungs to be removed from the body.

The circulatory system transports nutrients and water in the blood to all the parts of the body that need them. These nutrients provide us with energy.

Class Dojo

School prizes
for every 50pts
earned

How to help your child at home KS2

- **School readiness** – good night's sleep, breakfast, morning fruit, arriving **on time**, showing an interest in their learning
- **Homework:** Paper copies sent home.
- [Maths / Handwriting](#) – Set Friday and checked the following Wednesday
- [Spelling practice](#) – Our spelling test is on Friday. We will send home a sheet with their spelling test result and their new spellings every Friday.
- [Reading](#) – at least **20 minutes a day** and noted in reading record for teacher to check, at least 4 times a week.
- [Times Tables](#) – Practice regularly to keep up their skills.

Residential trip – Summer 2025

Last year the children visited The Kench Hill Centre in Kent.

This year the Y6 residential trip will be in summer term (10th -12th June) after SATs at The Mill.

A meeting will be held to discuss this later in September.

Being smart for school - uniform

- Making the school look smart and professional is a priority for us this year
- For children this means keeping to our school uniform policy:
 - No more “Beckford” badged schoolwear
 - Plain black footwear – also for PE

Being smart for school - PE

- Making the school look smart and professional is a priority for us this year
- This includes PE Kits
- Black PE shoes

Communication

- Communication is important to us:
 - Any questions can be emailed
 - Catch us at the end of the day with any queries
 - Letters will be emailed to you and uploaded to the website
 - Parents evening will be happening on 11th and 12th of November
 - Class Assemblies
 - Please do not use class Dojo to send messages

Communication

Use:	For:
Email admin@westhampstead.camden.sch.uk or Telephone 020 7435 8646	<ul style="list-style-type: none"> • Seeking appointments with HT, DHT, SENDCo, phase leader (e.g. bullying/behaviour concern, special needs enquiry, sharing a complaint or concern) • Enquiries about whole-school/admin issues e.g. uniform, payments, after-school and breakfast club, admissions. • Changing arrangements for collecting your child from school.
Email year group email e.g. Year6@westhampstead.camden.sch.uk	<ul style="list-style-type: none"> • Seeking appointment with your child's class teacher • Enquiries about homework, spellings, reading, the school curriculum, minor behaviour issues • Informing class teacher about something e.g. change in family circumstances.
Speak to class teacher on playground at end of day	<ul style="list-style-type: none"> • Brief enquiries about homework, spellings, reading, the school curriculum, missing uniform, minor behaviour issues etc • If the conversation will take more than 2 minutes, please email to make an appointment
Parent app	<ul style="list-style-type: none"> • Booking a parents evening appointment
