

1 We are Builders

How can we find out about the past?

- We can talk to people who are older than us.
- We can look at photos that were taken in the past.
- We can look at photos of or visit old buildings.
- Some buildings are so old that they have fallen down.
- Sources tells us about the past.
- We don't always have photos of the distant past.

Have buildings changed over time?

- Buildings used to be made from sticks and animal dung (wattle and daub).
- Buildings used to be made mainly from wood.
- Buildings today are mostly brick.
- Buildings look different today.

Zaha Hadid

Christopher Wren
